

Bill Anderson

I was born and raised in Southern California. As a family we attended a presbyterian church (PCA) where I was baptized and confirmed. After Marie and I started dating, I transferred to St. Matthew's Anglican Church in Newport Beach. Marie and I have been married since 2000, and we have 2 sons, Bear and Theo. At St. Matthew's I served on the vestry as Junior Warden, as a children's Sunday school teacher, and as Director of Hospitality. In addition to our involvement at St. Matthew's, I earned a B.A. degree in Mathematics from the University of California at Irvine and began a tutoring business helping high school and college students succeed in their math and science courses. After graduation, I continued tutoring and became the proprietor of a book store in a local beach community. In 2018, we decided to relocate to North Texas where much of both our families had already been residing. We were glad to learn that our parents had begun attending St. Andrew's and that it was a 1928 BCP parish. We became members the following year. We are pleased to have found a church home where we have made many friends and find many ways to serve. Our family has been privileged to serve at St. Andrew's in the AV ministry and vestry (myself), choir (Marie) and Acolytes (Bear).

Refer to Canon Sec. 25.4: As a current vestry member, Bill Anderson is eligible to serve consecutive terms since his first term, as a replacement for a resigned member, was less than 2 years.

Anita English

I grew up in a small town in south Texas at St Philip's Episcopal Church sitting in a pew beside my great grandmother, grandmother, parents and younger sister on Sundays. An example of giving and participation was set by them. This and my own experiences of God's mercy, provision and faithfulness have most shaped my faith journey. My husband Marty and I have been married for 39 years. He is a plastic surgeon and I am a registered nurse. We lived in Dallas for 20 years where we raised our sons Russell and Carter. Both have now married and have little girls who are lots of fun for Marty and me! We feel blessed that they and their families are involved in their own church homes as they continue their faith journeys. Marty and I happily moved to Fort Worth in 2013 and made St. Andrews our church home in 2016. I am a member of the Eddleman-McFarland Scholarship Committee, enjoy Thursday morning Women's Bible Study and being a Lay Eucharistic Visitor. I have chaired the Rally Day Committee and served on the vestry. It would be a privilege and honor to serve on the vestry again at this exciting time at St. Andrews.

Robert Gallagher

I am running for Vestry at St. Andrew's Anglican Church. I have been baptized, confirmed, and have been a lifelong member at St. Andrew's. I served as an Acolyte in the 2000s. I am married to my beautiful wife of one year, Rebekah. My occupation is Outside Sales at Womack Machine, and I have held leadership positions in business, sports, and philanthropy. I enjoy traveling with my wife and playing basketball and golf (both poorly). I am honored to be nominated for the Vestry Committee. I love St. Andrew's and its mission. I personally feel called to be in a leadership role. Rev. John Hildebrand called St. Andrew's "The old home place." The place where "beginnings" of the family occurred, where young and old touched roots, grew in stature of body and soul. It was here that principles of life were taught, where the good and the difficult times were shared, where grief and laughter brought insights and healing. I hope to contribute to making St. Andrew's "the old home place" again.

Judy Mayo

I am greatly blessed to be a lifelong member of St. Andrew's – baptized, confirmed, and married here. I was widowed in 2020 when Ted, my husband of 53 years, lost his battle with cancer. Our two daughters were baptized, confirmed, and married here, and four of our six grandchildren have grown up and been active in this parish. I was greatly privileged to serve on the St. Andrew's staff for a number of years, first as Director of Christian Education, later as Director of Children's Ministries. It is a joy now to volunteer in Children's Sunday School and VBS, to chair our annual Nativity Pageant, and to assist in the organization of several liturgical celebrations and yearly outreach projects. In addition, I am a lector, a member of the Altar Guild, a delegate to Diocesan Convention, and I love attending the Thursday Morning Ladies' Bible Study Group. We are tremendously blessed with fine, godly clergy and lay leadership here at St. Andrew's. In past years, I have served on the Vestry and as Jr. Warden, on the parish Stewardship Committee, the Missions and Ministry Outreach Committees, the Eddleman-McFarland Day Nursery Committee, in St. Martha's Guild and St. Monica's Guild, and as president of the Women of St. Andrew's. In the Diocese and wider Church, I presently serve on the Commission on Ministry, the World Mission Committee, as Lay Sub-Dean of our Ft. Worth East Deanery, and as an elected lay delegate to

Extra- Diocesan Synods and Assemblies of ACNA, having also served on the Standing Committee, the Executive Council, the Christian Education Commission, the Camp Crucis Board, the Women's Cabinet, and as a diocesan delegate to seven General Conventions of The Episcopal Church. I am indeed humbled and greatly honored to be a Vestry nominee.

Bill Penny

I am a native Texan and a lifelong member of the Episcopal/Anglican Church. My wife, Lindy, and I moved to Fort Worth in 1986 and I have been a practicing attorney here since then. Our family became members of St. Andrew's Church in 1986 and two of our children were baptized here. I am currently serving on the church Finance Committee and I am also serving as an usher. I was previously involved with the acolyte program, serving as an "acolyte team dad" for a period of time. Lindy and I are excited, and hopeful, regarding the positive momentum now occurring at St. Andrew's. I would be happy to assist in any manner to help ensure a bright future for St. Andrew's and to help our parish expand its role in the community.

Patty Wright

Early in the 1980s, I was working in downtown Fort Worth and took my lunch hour to visit a beautiful church I admired from my office window. It reminded me of The Church of St. Clement in El Paso where I was baptized, confirmed and married. I entered the door near the church office where two people, in conversation, happened to be standing. My entry surprised them, but they welcomed me, we exchanged introductions and I explained I was exploring for a new church home and that I also had 2 young boys who were ready for Sunday school. I could not have asked for a more appropriate pair of greeters - Judy Mayo and Rev. John Hildebrand. I attended church at St. Andrews the following Sunday and have been here ever since. I have been the acolyte mother and an ex-officio member of the Vestry. Currently, I am active in Altar Guild where I serve as a team leader and as treasurer. By trade, I am a CPA. I have owned my own accounting firm for 44 years, although I am now semi-retired. I came to work in Fort Worth right after I graduated from Texas Tech. My husband, Stan, and I met while working for the same national accounting firm. We have two sons, Patrick (Mae) and Doug (Anne), and 5 grandchildren. It would be my honor to serve on this vestry, if chosen to do so.
